TECHNICAL EXPERIENCE

Front-end React.js Developer

Oct 2023 - Jan 2024

InsoftLink Software

- Spearheaded the successful migration of the company project from .NET to React, resulting in a remarkable 30% increase in site performance. This enhancement provided users with more seamless browsing and engagement.

PROJECTS

Scribly-Note

[Preview](#) [GitHub](#)

- Developed and implemented a comprehensive note-taking **web app** from the ground up.
- Utilised the **MERN (MongoDB, Express.js, React.js, Node.js)** stack, **TypeScript**, and integrated **Passport.js** for secure **Google** Sign-In.
- Effectively deployed backend using **Railway** and frontend with **Vercel** for a seamless user experience.

Exploding Kittens

[Preview](#) [GitHub](#)

- Built a full-stack implementation of the “Exploding Kittens” card game using **React**, **TypeScript** and **Redux** for the game state and complex player actions.
- Designed a RESTful API using **Go** with **GoFiber** to manage **Authentication** and **Redis** as Database Storage
- Deployed the application to **Railway** and **Vercel** for public access.

Jupyter Edit

[Preview](#) [GitHub](#)

- Developed “Jupyter Edit”, a collaborative web app enabling **real-time** document creation and editing.
- Architected a web application stack utilizing **Node.js**, **Socket.IO**, **Next.js**, **React**, and **TypeScript**, for a fluid, responsive user experience.
- Implemented **Socket.IO** to enable real-time document collaboration, ensuring effortless synchronization between users.

SKILLS

JavaScript, TypeScript, Go

React.js, Next.js, Node.js, GoFiber Express.js, MongoDB, Tailwind CSS, SCSS, Bootstrap, Debugging

Git, Cypress, Github, VS Code, Vercel, Linux, Front-end development, e2e Tests,

EDUCATION

Institute of Technology, Gopeshwar

Bachelor Of Technology in Computer Science - CGPA: 7.4

Aug 2019 - July 2023

Chamoli, Uttarakhand

SUMMARY

Hello, I'm Ravi Kumar, a results-driven Software Engineer with proficiency in software Development and web technologies. I specialize in creating intuitive, user-friendly interfaces that enhance the overall user experience.
